President's Letter

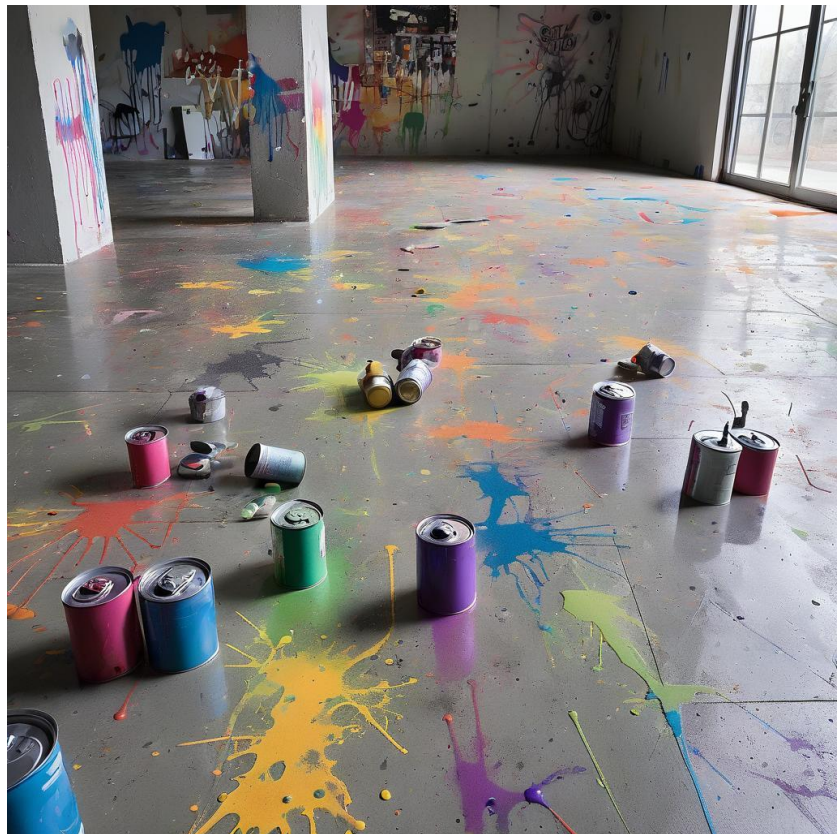

Welcome to May! Hopefully the cicadas have not driven you completely crazy.

Earlier this month several of us got together to put the finishing touches on the toy cars we will be giving away this year. Thousands of car bodies were painted. Many a can of spray paint was emptied. I wanted to extend my sincerest gratitude to everyone. To those who made the car bodies and those who helped paint. I want to extend a special thanks to Bob Youngquist for providing the shop space and feeding us. Thanks again Bob!

I wanted to remind you that the next three months (May, June July) will be a little unique as far as meetings go. As I mentioned above, our May meeting was at Bob's shop on the 18th. Our June meeting will be held at Cardwell Hardwoods in Jefferson City. More details will be released in early June. Finally, we will not meet in July. We have been skipping the July meeting for several years.

Keep the sawdust flying in the meantime!
