April 2026

President's Letter

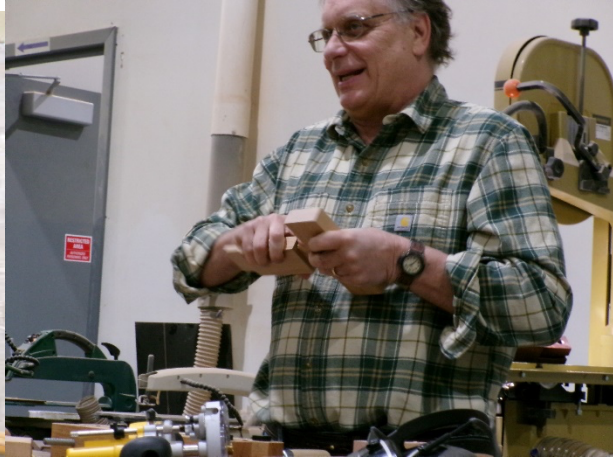

Hello woodworkers! I hope everyone was able to stay dry and the storm didn't make too much of a mess for you. The thunder was definitely no joke up here in Harrisburg. Thankfully there wasn't any damage here, just a ton of cleaning up over the weekend. Now back to work on my projects.

This month's meeting will be a presentation by Cruz Chavez, demonstrating the use of UV finishes. We will meet at Sawdust Studios on Monday April 27th at 6:30pm. Please feel free to bring your projects for the show and tell! I look forward to seeing you all there.

Tips, Tools & Jigs

Please submit your favorite tools & jigs for inclusion in this new section of our club websites: midwestwoodworkers.org and midmissouriwoodturners.org. You can send them to erik@erikbetz.com. During our March club meeting at Norm's shop, there was a request to publish details regarding the bandsaw blade tensioning tool that was mentioned. This can now be found under the RESOURCES tab on either website.
